## English

**[dunkelbunt]** aka Ulf Lindemann and his band surely count among the most influential global beat troubadours of the early 21st century. Their music is like an imaginary river. If looked for on a map, it would start somewhere in India and would head out west through the Orient and into the Balkans and beyond. Reggae, Dub, Hip Hop and Dancehall meets Electro-Swing, Balkan Beatz and Urban Klezmer.

Ulf Lindemann, born in 1979 in Hamburg (D), lives and works as a composer, producer, DJ, radio editor and mixer of spices in Vienna since 2001. He travels the world on behalf of his music around. New York, Melbourne, San Francisco, Barcelona, Istanbul, Paris, London or Cape town - these were just a few of the stops on his never-ending world tournee to present his mélange of urban world music. With his ever-growing list of featured collaborators like Harry Stojka, Waldeck, Fanfare Ciocarlia, Amsterdam Klezmer Band, Solo Moderna, Boban Markovic Orkestra, 17 Hippies, 5nizza, Balkan Beat Box, !Deladap, Stefano Miele - he continues to expand and recreate his unique musical universe.

*„The world offers a breathtaking plurality of music. It wouldn't cross my mind to settle for only one style. When playing we are travelling around the world together with our audience carried on by the music. Timelessly we are dancing through Countries and Continents getting drunk with the infinite beauty of the music.“ (ulf lindemann)*

Urban Klezmer und Electro-Swing, orientalischer Dub auf klagenden Tango und flirrende Sitar - dazu dicke Funkläufe, entspannter Jazz und ein babylonisches Sprachgewirr mit Gästen aus aller Welt. Seit dem Jahr 2006 reist Lindemann im Auftrag seiner Musik um den Globus: Metropolen wie New York, Melbourne, San Francisco, Barcelona, Istanbul, Paris, London oder Kapstadt waren dabei nur einige Zwischenstops. Die Liste seiner Kooperationen mit Bands und Musikern scheint ebenso weitreichend, wie die musikalischen Gewässer, auf denen er sich bewegt.

"Unsere Welt ist so groß und bietet eine atemberaubende Vielfalt an Musik, dass es mir nie in den Sinn käme, mich auch nur mit einem Musikstil zufrieden zu geben. Ich bin ein Freigeist. Heute so und morgen definitiv wieder anders!" In den letzten Jahren entstanden unter anderem Songs und Aufnahmen mit Cloud Tissa, Harry Stojka, Waldeck, Fanfare Ciocarlia, Amsterdam Klezmer Band, Solo Moderna, Boban Markovic Orchestra, 17 Hippies, 5nizza, Balkan Beat Box, !Deladap, Stefano Miele usw... [dunkelbunt], 1979 in Hamburg als Ulf Lindemann zur Welt gekommen, hat seit 2001 seinen Hauptwohnsitz nach Wien verlagert, wo er als Komponist, Produzent, Radioredakteur, DJ und Gewürzmischer tätig ist.
